

Help save a life and make a Women's Way connection.

If you know a woman who is in need of a mammogram but can't afford it because she is underinsured or uninsured, *Women's Way* may provide a way to pay.

Many North Dakota women are eligible and **YOU** can help connect them to ***Women's Way***.

Visit health.nd.gov/womensway or call
1-800-449-6636 or **701-328-3398**
for more information.

WOMEN'S WAY
A Breast & Cervical Cancer
Early Detection Program

"Women's Way is a great place to start. If they can't help you, they will find somebody who can."
